## **Ilka Wölfle, LL.M.**

DGUV, German Social Insurance  
European Representation, Belgium

Ilka Wölfle has worked for the German Social Accident Insurance (DGUV) at the European representation of the German social security associations since 2007. In her function as a representative of the DGUV, Ilka Wölfle follows the negotiations concerning TTIP, CETA and TiSA. She has also brought to bear her expertise in European affairs as a co-author of the position and background papers issued by DGUV and KAN on the matter.

In addition, Ilka Wölfle represents the interest of the DGUV on various European committees such as the European Social Insurance Platform (ESIP) and the European Forum of the insurance against accidents at work and occupational diseases.

Before joining the German Social Accident Insurance, Ilka Wölfle was a Policy Advisor at the German Bar Association (Deutscher Anwaltverein) in Brussels. She studied law and additionally completed a master's degree (LL.M.) in European and international law.
